## POST COMPULSORY COURSES (NEW COURSES OF STUDY)

Since the State Council Meeting in November 2006 there have been a number of changes to the post compulsory courses in Year 11 & 12 and the June State Council will be discussing this matter in relation to the following:-

- Impact of the changes on members and in particular on teachers of English.
- The future role of teacher juries in the implementation process

Debate of this issue at State Council is expected to generate a number of policies and actions that the Union will need to implement. Therefore following State Council the Union will reconvene the

*ENGLISH COURSE OF STUDY REFERENCE GROUP.  
AND  
COS REFERENCE GROUP.*

It is proposed that these groups will meet either at the end of the week following State Council or early in the following week (beginning June 25<sup>th</sup>)

Members will be kept informed of developments that occur as a result of State Council decisions and the reference groups.
